Dolphin Dive

Dive with the dolphins in the open ocean along a coral reef on this exciting and very unique dive. You'll get to interact with these amazing animals in their natural open ocean environment. This UNEXSO signature dive is a great way to begin your UNEXSO dive experience. Approximate time in water with dolphins: 30-35 minutes.

Shark Dive

UNEXSO pioneered this thrilling dive and was the first to offer shark diving on Grand Bahama Island. Our staff is considered experts in shark behavior and conservation and will organize an up close and personal experience with the sharks at UNEXSO's Shark Junction. The expanded pre-dive briefing dispels the misconceptions about sharks, covers information about shark behavior and highlights interesting facts about these misunderstood creatures. During the dive you'll observe these magnificent creatures as our experienced staff feeds and interacts with sharks of all sizes. You will come away from the experience with a new appreciation of these beautiful animals and understand the need for increased conservation measures.
